

PIEDMONT

YOUTH FOOTBALL ASSOCIATION

Dear Potential Sponsor,

As Piedmont Youth Football Association ("PYFA") enters our 4th year of competition, we are excited to announce multiple sponsorship opportunities to help support our upcoming 2022 season. PYFA's mission is to teach local youth the value of teamwork, determination, hard work, and respect through the game of football and cheer. We believe that instilling these core values in our children prepares them for continued success as student athletes in Piedmont Public Schools and members of our community.

Your generous contribution will help provide practice equipment for teams, uniforms and equipment for players, and pay for gameday expenses of the league. PYFA is recognized as a 501(c)(3) non-profit organization by the Internal Revenue Service and as such, donations may be tax-deductible to the extent allowed by law.
